

How to send information from Pensionsinfo.dk

1 Go to the website www.pensionsinfo.dk
Select English version in the top right corner

PensionsInfo 

2 Click on "Log in with Mit ID"

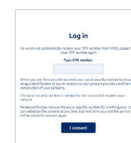

3 Log in with Mit-ID, fill in the fields with id and password and then press "NEXT"

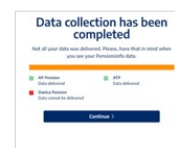

4 Open Mit-ID app and approve

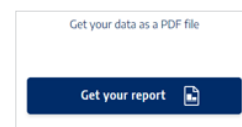

5 Enter your CPR-number in the field and click on "I consent"

6 Click on "Continue"

7 You can now see your pension on the screen. At the very bottom of the page on the left you can click on "Get your report"

8 Click the boxes to add or remove retirement age below and then click on "Get your report"

9 Your pension report has now been downloaded and is located on your computer. Send the report to your pension advisor using our "Sikker Upload" på <https://selvbetjening.howdenagents.dk/pension/sikker-upload/>

10 Your pension advisor has now received your information
